Walk for Life-Stride against Cancer Special Edition

From CEO's Desk

Dear Friend,

I write to you at the beginning of a new Financial Year, and my message comes with enormous gratitude for the generosity of our supporters and associates. Together you helped us meet our goals in FY 2023-24, but what that really means is you value compassion and dignity in the care of those who are seriously ill. It is humbling and gratifying to have earned your allegiance to our work.

At this time of the year, we also examine our work, see what is going well, what needs more innovation or change. It is exciting to make progress on current initiatives, start new projects, and learn about the what new ventures our stakeholders want us to take on. Your suggestions are most welcome.

We are poised to serve better, achieve more, and make a positive difference. We will continue to strive for a high-performing, inclusive culture that fosters engagement, collaboration, and continuous learning and most importantly inspire hope. My message would be incomplete without mentioning an incredible gathering of over 4000 people at our Walk for Life event despite rain on a cold winter morning uniting as a powerful and inspiring community against cancer.

It was heartening to see students, families, survivors, company employees, organisations and groups pledging to not only raise awareness but also to encourage family and friends in taking steps towards prevention and early detection of cancer. We also recognized and celebrated caregivers and walked in honor of loved ones lost to cancer. TOGETHER, we gave out a message to the world of never giving up hope and reaffirming that there is life after cancer and despite cancer.

I especially thank Principal Sponsor "Sanjeevani: United Against Cancer"- An initiative By News18 Network, Federal Bank Hormis Memorial Foundation, TATA Trust and Fortis, and CSR Partners Waters India Pvt Ltd and SRF Ltd. Also to the celebrities- Mr Dino Morea, Mr Karan Singh Grover, and Ms Nikita Dutta and members of our Managing Committee for their support, inspiration and encouragement.

We have many exciting student and adult volunteering opportunities this Summer and registrations are on!

Sending out endless wishes for good tidings and positive change.

Affectionately,
Dr Ambika Rajvanshi

Golfing for a Cause: Honouring the legacy of Rajesh Kumar ('RK')

In 2023, marking the third year of the tournament held annually in November, the organizers raised approximately Rs 14 Lakhs to help Cancer patients under CanSupport's care.

We extend our gratitude to RK's close companions who founded this memorial and to his mother, Ms Sudha Kumar, for facilitating this for us. We also thank Mr Nitin Sibal, Mr Sandeep Talukdar and Mr Vipul Aggarwal for their unceasing support.
